

AGAMING MAANGOGWAN 804 2015 PATCH SUBSCRIPTION

The Agaming Maangogwan Patch Subscription is a way for members of the lodge to reserve patches in advance for a given year. Many enjoy the collecting of OA patches and find it to be a great hobby for a Scouts and Scouters. For the lodge it helps us to know how many extra patches we might reasonably need to purchase and it provides a needed resource as we are ordering items.

Members of the lodge who purchase a patch subscription will receive one set of all the patches produced in a given year. Along with purchasing your patch subscription you may order additional quantities of patches that are included in the table on the following page. **There are patches on rare occasions that have been designated for some honor that would not be part of the patch subscription as they are usually for a token of service rather than for an event.**

To purchase a patch subscription and guarantee that you will receive all of the patches for the given year, you must have your order paid in full by March 31st, 2015.

The patch subscription consists of the following items for 2015 year:
