

## Agaming Maangogwan Patch Subscription

The Agaming Maangogwan Patch Subscription is a way for members of the lodge to reserve patches in advance for a given year. Many enjoy the collecting of OA patches and find it to be a great hobby for a Scouts, and Scouters. For the lodge it helps us to know how many extra patches we might reasonably need to purchase and it provides a needed resource as we are ordering items.

Members of the lodge who purchase a patch subscription will receive one set of all the patches produced in a given year. Along with purchasing your patch subscription you may order additional quantities of patches that are included in the table on the following page. **There are patches on rare occasions that have been designated for some honor that would not be part of the patch subscription as they are usually for a token of service rather than for an event.** To purchase a patch subscription and guarantee that you will receive all of the patches for the given year, you must have your order paid in full by March 31<sup>st</sup> 2015.

The patch subscription consists of the following items for 2015 year:
